

TEST REPORT

Xi'an Lanshan Biotechnology Co., Ltd

Task Number	2204202690	Testing Ordered	> 10 JUNE '26
Client	ALIVE+	Sample Received	> 11 JUNE '26
Sample	MOTS-c(10mg/Vial)	Analysis Completed	> 20 MAY '28
Batch / Lot	2005202601	Expiration Date	> 20 MAY '28

SAMPLE DESCRIPTION >

White lyophilized powder (Conforms)

TESTS REQUESTED >

Comprehensive purity, composition, and mass spectrometry (LC-MS) analysis of a high-performance research peptide batch.

PRIMARY QUANTITATION & PURITY RESULTS >

MAIN TARGET PARAMETER	EXPECTED SPECIFICATION	VERIFIED RESULT	STATUS
Purity (HPLC)	≥ 99.00%	99.78%	PASSED
BPC-157 Content / Quantity	10.00 mg / vial	10.24 mg	CONFORMS
Mass Spectrometry (MS)	Conforms to theoretical MW	1419.6 (Conforms)	MATCHED

PHYSICOCHEMICAL & SECONDARY METRICS >

SINGLE IMPURITY 0.22% (Spec: <0.5%)	PASSED	ACETATE CONTENT 8.5% (Spec: <15.0%)	CONFORMS
WATER CONTENT (KARL FISCHER) 5.1% (Spec: <8.0%)	CONFORMS	ENDOTOXIN LEVEL (LAL TEST) <1.0 EU/mg (Spec: <5 EU/mg)	SAFE
IDENTIFICATION (HPLC) Consistent with standard	CONFORMS	SOLUBILITY Freely Soluble in water	CONFORMS

COMMENTS >

This batch (Lot No: 2005202601) of MOTS-c has been fully evaluated and matches all premium international criteria for high-purity research-grade materials. The sample demonstrates an excellent purity profile and accurate target mass quantitation. Released for distribution.
